Dear Chairwoman DeLauro and Ranking Minority Member Granger:

I am requesting \$1.2 million in funding for a capital expansion project for Centerstone. The entity to receive funding for this project is Centerstone located at 371 6<sup>th</sup> Avenue West, Bradenton, Florida, 34205.

I am submitting this Community Project Funding request on behalf of Centerstone. The funding will enable Centerstone to expand its Behavioral Hospital and Addiction Center in order to increase the availability of acute psychiatric and addiction inpatient treatment options for residents in Manatee County and the surrounding region. In addition, it will also allow Centerstone to simultaneously increase patient safety and customer experience.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
